Good Morning Louann—I received this email last Friday. I do not know how this person got my email address. Is this a request that should be processed by the FOIA office? Please advise.

Thanks,
Connie

Subject: NPDES Permit Information

Hello,

My company has recently taken over a project in North Carolina. We have records of NPDES permit existing but do not have info on the actual permit. Is there a way to obtain info on the permit (i.e., constituents on the permit, discharge limits, etc) from your office? It is the DuPont Kinston Plant (EPA Facility ID [110043785909](#)).

Thanks for any information that you may have.

-Thanks,

-Shella
